

Beverly Ann Carter

October 24, 1937 - October 23, 2020

Beverly Ann Carter, 82, of Crawfordville, Florida passed away on October 23, 2020. Beverly was the matriarch of her family. There are no words to explain the impact she had on the many lives she was a part of.

She had a passion for horses and loved to share her stories. She loved her family and always went above and beyond for all.

Beverly was predeceased by the two men that made her life complete, her husband Andrew Carter, "Ace", the father of her children, and the man that made all of her dreams come true. Thomas Howell, "Pop Pop", was the man that came in to follow the steps of her late husband, to then continue the life journey with her as she helped raise her grandchildren. There was never any doubt that she was the most important person in their life.

She is survived by her children, grandchildren, and great grandchildren.

At this time, the family will make arrangements for a private celebration.

May the winds of heaven blow softly and whisper in your ear. How much we love and miss you and wish you were here. Your life was a blessing, your memory a treasure. You are loved beyond words and missed beyond measure.

“ *She will be missed. I will miss running into her at the grocery store, as we often did. We never got around her teaching me how to make yeast rolls. My prayers are with the family. RIP*

“ *Never met Ms Beverly but talked to her a number of times on the phone. She was always very sweet.*
