“ Randy was a man whom within 5 minutes of meeting him at the Moose became my friend. He was just that kind of guy. Soft spoken, smiling from ear to ear, loved to laugh, loved music and dancing, and was an absolute true gentleman. He loved his kids like there was no tomorrow and always smiled that “Randy smile” when he talked about them. A true family man who knew how to love with all of his great big heart. He had such a generous spirit and wanted everyone he befriended to enjoy the things that he enjoyed and always said, “You can’t take it with you so you might as well enjoy it while you’re here.” I’m so happy he got to do just that...fishing and enjoying the beach and his cool van and simply loving life. He genuinely cared for others and was always willing to lend a hand but more importantly a caring shoulder if you needed it. Although we didn’t have a very long time to be friends, I knew we would always have a smile and a tight hug for each other. To his family, I am so heartbroken for you and am keeping each of you in my thoughts and prayers. I wish I had known sooner he was sick because I certainly would’ve been there to say goodbye and to share in his celebration of life with you. Randy, I will miss you and will always carry you in my heart. I know you are now at peace and I will see you again one day in Heaven my sweet friend.
