

Frankie Lynn Davidson McGlohon

December 19, 1954 - June 28, 2018

Frankie Lynn McGlohon, 63, of Crawfordville passed away on Thursday, June 28, 2018 from her battle with cancer. She lived her life to the fullest. She was full of joy and loved her family. Frankie's favorite times were spent at the beach and spoiling her grandchildren. She never met a stranger and was always friendly with everyone.

She is preceded in death by her parents Robert Frank Davidson & Zella Mae Boland Davidson and her husband Royce E. McGlohon Jr.

Survivors include 2 sons Gary Wallace (Mary) & Brandon Hunt (Melissa), 4 grandchildren Dylan Wallace (Sloan), Sara Wallace, Teagan Hunt & Andon Hunt, siblings Barbara Guthrie, Betty Reclusado (Dennis), Mildred Hartsfield, Janice Allen (Charles), Pattie Davidson & Robert Davidson and many nieces & nephews.

Frankie also called "Mom" and "Meme" to her sons, daughter-in-laws and grandchildren. She did not want them to cry because she had passed, but for them to smile, because she lived and that she was going to a happy place and would see them again.

Frankie's wishes were to have a small family gathering to celebrate her life. In lieu of flowers, please send donations to Big Bend Hospice for the love and care she received. 850-878-5310 1723 Mahan Center Blvd. Tallahassee, FL 32308.

Arrangements are under the care of Skip Young with Family Funeral Home and Cremation Services. 850-926-5919 - Familyfhc.com

“ Actually Frankie was my aunt but we were born only a few hours apart and so close in age to her siblings, it felt like we were cousin's. Betty Jean Shepherd-Brogdon

“ It's been a long time since I have seen your mother. I will always remember how Karen and I came to stay with Grandma and Granddaddy one summer and Frankie, Janice, Mildred, and sometimes Patty, would go over to the elementary school and play school. We would try to hide from the janitors and cleaning ladies cause we would get the old school papers out of the trash and one would be the teacher and the rest of us would be the students. The one thing I especially remember about Frankie was she would always mix all the food on her plate and then eat. We used to pick at her about it but she let us know ,it was all going down to the same place. She was always kind to me. I'm sure she will be missed. Even though I have not seen her in a long time, I've often thought of her and the rest of the Davidson cousins. Betty Jean Shepherd-Brogdon
