Rest Peacefully Louie, I do remember lots of good times with you and your reptiles. I remember when you got bit by your snake and you told me at the hospital not to let your mom or Sandra hurt your snake cause it wasn't the snake's fault. Just looking at your face and how serious you were says how good of a person you were. We all had a lot of good times. Sending my condolences and prayers to your son's and the entire family 🙏💕 until we meet again my friend.

“ *This is very sad tragic news. Louie was a great person who helped me out a number of times repairing air conditioners. Praying for his entire family. Know they will miss him terribly because he loved his family.*
