Amy Oberschlake Fleming^[1]_[SEP]

December 19, 1974 – July 21, 2025

Amy Theresa Fleming, age 50, of Tallahassee, Florida, passed away on July 21, 2025, surrounded by the love of her family and friends.

Born on December 19, 1974, in Xenia, Ohio, Amy brought warmth, strength, and compassion to every life she touched. A devoted, loving, loyal, and caring wife, mother, daughter, sister and friend, Amy lived a life of deep purpose and unwavering love.

She was the beloved wife of Nathan Fleming, her high school sweetheart and partner in life and business. Together, they built not only a beautiful family but also a successful business—American Eagle Towing. Amy also worked for many years as a trusted medical assistant at Family Dermatology of North Florida with Dr. Tie and Dr. Pascoe, where her gentle nature and dedication made her a favorite among patients and colleagues alike.

Amy's greatest joy was being a mother to her miracle babies, Nicholas and Ashley. Her passion for inclusion and advocacy was rooted in her love for her children, both of whom have unique abilities. She was a fierce protector and tireless supporter—not only for her own family but for countless others as well. She found peace and joy in the simple moments: reading a good book, boating on the river, camping, and spending time on the family dock with those she loved most. Known affectionately as the "Momma of the group,"

Amy was the heart of her circle of friends and family, always taking care of others, always showing up.

Amy is survived by her husband Nathan, son Nicholas, daughter Ashley, mother Deborah Oberschlake, sister Jan Oberschlake, brothers Craig Oberschlake and David (Erin) Oberschlake, nieces Lucy, Wiley Kate, and Zeva, and nephew Ty. She is also survived by her in-laws Phil and Susan Fleming, and many beloved friends, extended family, and “nieces, nephews, and grandchildren by heart.” She was preceded in death by her father, Gary Oberschlake.

A reception to celebrate Amy’s life will be held at a later date. Details will be shared once finalized.

Amy’s legacy is one of fierce love, quiet strength, and boundless generosity. She will be deeply missed and lovingly remembered by all who were lucky enough to know her. “We love you Amy to the moon and back!”

Skip & Trey Young along with Paula and Amanda are assisting the family.

“ I've known Amy since she was a young child in Ohio. She has the most beautiful smile and an energy that filled every space she was in. To say she was special is a huge understatement. Rest in peace, sweet Amy. You were so loved and touched so many.

“ Amy is definitely one to be the light in a room always definitely made a big impact to our family and inspiration. we were always drawn to her. She always had a smile on her face, positive attitude and so much love for her family and friends. You can tell she never had that line between family and friends. We were all blended together in her world. Amy was gone way too soon, but a person like that God calls sooner than later in life unfortunately. We will surely miss you Amy. You will always be in our hearts and thoughts and definitely missed at parties but not just at parties but by loved ones as well we couldn't imagine what Nate and the kids Ashley and Nick are going through at this time. We will be praying for you guys.
