“ Andy was a kind soul, he was one of my young men/ scouts circa 2001-03. He really lived life to its fullest and always had a jovial spirit. I remember while on a camp out once Andy talking up for one of the younger boys when an older boy was picking on him, that told me a lot about Andy's character that despite being smaller himself he showed me what a giant of a person he was. Sending love and kindest regards to the family.

My heart was shattered when I heard the news that you have left us too soon. I will cherish the memories of watching you all grow into adulthood and will think back fondly of all the craziness I put up with out of the neighborhood kids. I will miss running into you and getting a big hug and reminiscing of days gone by. My prayers and deepest condolences for the family
