“ Annie was always a bright light in my world. She worked with me and was so kind, intelligent and just a real sweetheart. She didn't get rattled by much and always brought a calmness to the situation. We laughed and had some good times together. She was the best. Much love and prayers, to the family, our deepest sympathies, Tina and David Tyson

I am so, so sorry for your loss. I was the guidance counselor at Wakulla Middle School when Annie was a student. She was just delightful! I enjoyed her so much. She was a bright and shining star. I'm so glad we've been able to keep up with each other on Facebook these last few years. I know she will be so missed. My thoughts and prayers are with you all. She was very loved.
