Dear sweet mama of mine. Next month in December you'll be passed away for 1 hard long year. The absence of you being gone still weighs heavy on my broken heart that will never heal. I love and miss you more everyday that passes by. Daddy is so lost in standing due time. He tells me every time I go see him I SURE DO MISS YOUR MAMA. ITS A LONELY ROAD THAT NEVER GETS BETTER WITH EACH PASSING DAY. WHAT I would do to be able to see her just one more time to tell her how much I love her of all the 58 years we've been married. She's the best thing ever happened to me and now she's gone just like that. No goodbyes. Here one minute gone the next. Now I know and feel the pain and sorrow my daddy went thru when my mama passed away. It's a part of your heart that won't ever heal or be replaced until we meet again honey save me a seat.

“ Today 12-22-23 has been 1 long sad lost crying year that my beautiful mama passed away at TMH ICU UNIT from a tragic auto accident and claimed my Aunt Barbara Spears's life on 12-20-22. It's just not the same without these two ladies. Xmas isn't the same bc to see my mamas cheerful smile just gave the warmest feeling in my heart knowing everything was gonna be ok and complete. Our family always had a big exciting surprising joyful Xmas day. Best part after we opened presents at home we would load up and go to Big Granny's house and eat Xmas dinner. When my grandfather Mr. Willie Spears was alive he knew going to Big Granny's house she would have him a sweet potato pie all to himself to eat and he enjoyed every bite joyfully. I know I'll never ever get over losing my mama. So for now Merry Xmas Mama. We love and miss you more each day.

“ My dearest mother that I've hurt and cried daily since you passed away on 12-22-2022. Eight months you've been given your Angel wings to fly and I know you still look over all of us still today. Mama you know we are lost in the bright of day without you leading us thru all the good and bad times approaching our family YOU MAMA HAVE BEEN THE ONE THAT HAS CARRIED EACH ONE OF US THRU EVERYTHING TO THE END. I MISS YOU MAMA SO BAD. ME, WILLIE AND CHRIS HAVE BEEN IN THIS NEW HOME THAT YOU AND I PICKED OUT EVERYTHING FROM COLORS TO WOODEN FLOORS TO THE TALL STILTS TO HOLD HIGH OFF THE GROUND TO THAT Special Elevator TO HELP US TO GI UP AND DOWN WITHOUT CLIMBING STAIRS. ITS BEAUTIFUL MAMA AND ITS BEEN SINCE FEBRUARY 2023 UNTIL AUGUST 4TH TO GET MOVED BACK HOME. BUT ITS JUST NOT THE SAME WITHOUT YOU LIVING HERE WITH US. What I would give to just hear 1 more time you and Aunt Barbara pulling up in the the front yard and hear BEEP! BEEP! LOVE YOU BOTH AND MISS YALL SO SO MUCH.

“ On 12-22-22 I lost my beautiful mama. Two days before that we lost our sweet Aunt Barbara. I watched my mama after the life support was taken off fight for a hour and a half with her eyes wide open and a grip on my hand. Just the look in her eyes and tears I knew my mama was with me and was trying to tell me later! Never goodbye. Our family will be lost forever she was the rock of our family. No matter how hard it got me mama was always a fighter and made things happen. We love you mama. We will miss you. Your smiling beautiful face that no other can or has filled but you. I was told this would be the hardest decision that I'll ever make in my life. And that was to let my mama go to a much better place and gain her angel wings and go to heaven where we all wait our turn to do. I'll never be the same and would gratefully love to hear one last time for mama and Aunt Barbara to pull up in my driveway and hear BEEP! BEEP!
