We finally met 2 years ago. Thank you for having a great time with you all at the lake. It wasn't your time yet. The accident cut it short. I will miss your RV trips you shared with us, but most of all I will miss you guys. Until we meet again. My condolences to my Florida family.

“ Toni was one of the kindest and gentlest women I have ever met. She was my mother's very close friend, the first time I met her I felt like I knew her forever she had that way about her. It actually broke my heart when my mother told me that she was gone, even though I did not spend a whole lot of time with her I felt like she was a very good friend. To her family I offer my deepest condolences because this woman was an amazing, precious and kind woman.
