

Arlene Schenck Clemons

January 22, 1945 - November 19, 2022

Arlene Clemons, 77, of Woodville, Florida passed from this world into Eternity with her Lord, Jesus Christ on November 19, 2022. Arlene was born in Atlanta, Georgia to the late Walter and Reba Schenck on January 22, 1945. Arlene spent 30 years with the love of her life, her husband, Larry McPherson, who was by her side when she passed on to Glory after a long battle with dementia.

Arlene was a stay-at-home mother for many years, was of the Baptist faith, and also worked for the State of Florida, and later retired from St. Marks Powder. She also attended FSU and loved watching FSU football.

Arlene was loved by all that met her and knew her. She had a contagious giggle and sweet, precious spirit. She was loved so much as a Momma to Wheeler (Annette) Clemons and Landis (Jason) Ender, “Mamalene” (Momma) to Carrie Taylor (Roy), Matthew McPherson (Angie) and Marty McPherson, and Nana to Matthew, Sarah, Georgia, Madison, Hunter, Austen Colvin (Brittiany) and Dusten Colvin (Sydney). And a host of great-grandchildren.

She was always laughing, joking, and filled with so much joy and love. When we think of her, think of this verse: Proverbs 31:25, as this is the verse that fit her perfectly ...” she is clothed with strength and dignity, and she laughs without fear of the future...” I have no doubt she is laughing and loving on her loved ones who’ve gone before; but is most happy to be with her Savior, Jesus Christ.

Even though she went through many trials in her life, as long as we’ve had her in our lives, she has encompassed the word “happiness”, especially with her husband, Larry. She loved deeply, fiercely, and she truly loved and cared about every person that came in and out of her life. She loved her big bundle of joy, her dog, Sarge. He knew who his momma was from day one.

Though we will miss her deeply until we are reunited with her in Heaven, we each carry a beautiful piece of her with us, every day, forever.

A private service will be held at a later date.

“Loved Marlene when I was feeling down at work she always was there for me. She told me a lot about her life and family. I got to know her daughter in law when she got a Dachshund from me and Arlene kept me posted on how things were going on. I hated to see her leave the plant but she would be happy just knowing us from afar and she kept in touch when she could.

Larry, I have never met as happy a person as Arlene. You could not help but smile the minute you saw her. She was a blessing to all she met and they would always leave happier than when they came. You will have a lot to remember about Arlene, especially her delight of life. Heaven will be even happier with Arlene.
