“ We often thought of Randy, and will continue to do do, because our memories of him are so intertwined with our memories of Bill. Their ties reached so far back that it seemed Randy had been in our lives forever and the tales they shared about each other and their adventures (or misadventures as they often seemed to be) are part of the fabric of our lives. Our thoughts and prayers go out to all of you. We pray the God will fill the hole left in your lives by Randy’s absence with Himself. Linda Smith
