“ For my old friend Ary, I wish to say that having him as a choice friend and having spent the past decades in his company has been a cherished experience! Jacky, as I usually referred to him, was a grand example of a man who loved life, was gentle to all who knew him, and an exceptional example for all to follow in his dedication to family and friends. I have so many wonderful memories of our times together, both on the job or hunting & fishing the various different places along the way of life. I will miss him every day until I can join him in the Kingdom of Heaven with our Heavenly Father-AMEN  
Reggie.

“ My friend since elementary school. He gave me my very first present from a 'boyfriend'. All through life Ary and I were friends. We wouldn't see each other for a few years, then run into each other. We would pick up a conversation where we left off. That's the way he was. It was always a treat to see him as Santa Claus at the mall. He always had a smile on his face and never knew a stranger. You will forever be missed and loved by so many friends and family. I'm proud to be able to call you friend. So thankful you are in heaven and we all will meet again some day. My heartfelt sympathies for Catherine and the family. Praying God's comfort will wrap around you tightly.

“ One day, we meet a lovely couple at the Eye Dr's in Gainesville. Our husbands had many things in common. We have been talking on Facebook ever since and would say we have a wonderful friendship.

Catherine, you are in our prayers and thoughts. You stay strong. You are quite a prayer warrior and did everything you could have done and now Ary is in Heaven, he will watch and look after you. We are so sorry for your loss.

Love you.
