*My heart is burning with pain. I'm your nana! And the short time we spent together was a short life time. You came and shared your love. You were loved by so many. You made a promise to me that you would come back. But 16 days later God called you home. You will still keep your promise. I will feel you in the wind! The rain! The sunhine! I will see you in my dreams! My heart is torn in half! But I know you were sent here as a Angel to show the world to love. And to live your life to the fullest! Yours was short but you were loved, smart, and smile even when in pain. We sung a song "Head, Shoulder, Knees and toe". Well your body is new and strong. Fly high! Fly Low! Fly by and Kiss Me! Untill we meet again! Love great grandma. And Uncle Jeremy!*
