“ *“Our Sister” Miss Jean, that’s what she called my sister Jackie and I, her sister. She was always a breath of fresh air. To know her is to love her! She made you feel like you have known her forever the first time you meet her and she never had a problem with telling you how much she loved you. We will miss her so. I love you Jean Dykes with all my heart. Rest in Peace.*

“ Miss Jean was truly one of a kind. I met her through my father and the Hardee's group. She had a special way about her in that she exhibited grace, charm, and fierceness all at the same time. Miss Jean always made me and every female in my family know our worth and value and spoke positively over us anytime we stopped by to say hello. She has been a dear friend to my mother, Carolyn, after she lost my father and was instrumental in helping her through her grief. She was full of life and humor and wit and southern charm and will be dearly missed.

“ Jean was a neighbor for many years. I rented business space from her. I managed Tanlines. I ran a salon across the street from her residence. Jean was a handsome and smart business woman. She could be intimidating but she had a kind and generous heart. I'm sorry to hear of her passing. She will be missed. My thoughts and prayers go out to her family.
