“ I remember being dirt poor and in a new town where I knew no one. Ellie, Billie, and Corey picked me up and we drove to New Hampshire to stay with Barbara at the beach for a week. Thanks to Barbara's generosity I had a wonderful vacation I could not have otherwise been able to take during a rough period of my life. When Barbara moved to Florida many years later, when she was still able, she was constantly cooking dinners and sending invitations to join her. I will always remember Barbara as a giving person who shared her blessings with me and enriched my life. -Tracy
