Mr. Lee Nell has his Sunshine back . Awesome, Awesome person. Miss Barbara I will never forget how you always treated me with an open heart and such Love, even if we were both fussing about our kids. Thanks for sharing your thoughts and your family with me. Memories I will always hold close.

“ I didn't know Barbara as well as others but when I met her I knew immediately she was a very special woman. I rented a RV space on her property and had the fortune of meeting her and her husband and got to know the fishing business from them. The best family I know. To this day I would always think of her and think how beautiful she was, inside and out and wished I could be just like her with her confidence and beauty. Such devastating news. The time I spent there left a everlasting memory of such a beautiful lady. RIP Barbara.

“ The world is a little dimmer without you here. Your smile was one of the things I looked forward to and the wonderful chats we shared. Lord knows he made heaven a little brighter by calling you home. You will be missed dearly. It was more than a pleasure to know you here on earth. Until we meet again, rest easy.

“ Barbara and I grew up together in Woodville. We attended the same church where she played the piano. Barbara was always the same wherever or whenever I saw her. Her smile never changed.
