Sharon; understatement - me and Bernie were buds. 12 years knee to knee in choir practice. Under Randy's watchful eye. I could hit the notes Sunday morning because I bent my ear to his mouth during practice. He was Troy's number 2 football fan. Bernie and I, with you, missed only one home game together for Troy's last 2 years. Then, what you and he did for Maria and I after the crash is too, too much to tell here. Then, you and he being with us for 2-a week bluegrass practices with my other bud, Jeff, for 2 more years. You and Bernie own an eternal place in my heart. This day, Bernie is running like a deer, flying like a bee, and roaring like a lion - in heaven. Imagine.....

“ Until we went our separate ways after high school graduation, Bernie Kemp was one of my best friends. I never heard an ugly or unkind word from that good man. Although we were separated for years, my thoughts often went to my classmates, and Bernie was at the top of the list. My thoughts and prayers are with his surviving family friends. They surely feel an aching loss.

“ I remember having a meal in your home and him coming to school with you to school for the festivals. May God comfort you during this time. You took good care of him.

“ Sharon, please accept my deepest sympathy. Bernie and I hunted together in our younger days, but usually fell asleep in the truck while the rest of the crew hunted. He would help anyone and mentored many young men in Sopchoppy, including myself. I remember him playing the organ at church and singing in the choir. Another good man, along with our other hunting buddy, the late Frank Lawhon, is now in heaven. We all had many good times together.

“ So many of my childhood memories include ones of Bernie. He loved my Dad so very much and I remember waking up many mornings to the two of them sitting around the breakfast table and to sounds of coffee slurping, tales being told and laughter,,,,,much laughter. So many memories come to my mind at this time of year of the many Thanksgivings we spent with Bernie and members of the Strickland family spreading Thanksgiving dinner together at the men's hunting camp, and then gathering around the fire to play games, sing and laugh together. Bernie has a special place in our hearts. I pray that this Thanksgiving in heaven that Daddy, Bernie, John, Morris and George are all reunited and that again there is much laughter. Sharon, our prayers are that the Lord will continue to strengthen you through the coming days. We love you and are thankful for you. You are truly the kind of wife written about in Proverbs 31..., an excellent wife, far more precious than jewels.
