“ *No words, just prayers and hugs to everyone coping with this loss. Dolores was a beautiful woman. She always made it look easy to bear the trials and tribulations of life. She had a wondrous smile and laugh that could fill a room. I was honored to have known her and have her be a part of my life. She will be missed.*

“ I am so very sorry for your loss. Dolores and I shared many years of car pooling and wonderful times working and riding together. I especially enjoyed the birthday lunches we spent together with our mutual friend Nell. She was truly one of the kindest sweetest women I know.

“ My mother was the greatest giver of herself that I could have ever known. She was my confidante, friend and sister in Christ. I know I will see her again because that is the hope I have in Christ Jesus. I love you mommy

I have known Delores for 40+ years. I was best friends with her younger sister Bonnie from the time we were in elementary school. Delores was full of good advice and she really reminded me of her own Mother, who was also good with advice. I know they are rejoicing in heaven right now. We will get to see them all again. Delores was a wonderful person and she will still be that way when we see her again. I love and miss you.

I hope you can feel the love so many of us had for your mother, and this gives you comfort. I worked with Dolores many years ago at the State of Florida. She was a gentle, yet bold example of a hard-working, cheerful, giving Christian woman.
