“ *I am so sorry for your loss....she will be missed. She loved unconditionally and gave with her full heart. Many years ago she accepted me as part of the family and became my adopted mom here in Florida with my family so far away. I will never forget the warmth, the love, the acceptance and the support she always gave. Have not seen here in few years and for that I am sorry. I am praying for the entire family as they go through this process.*
