“ To all my cousins, children of my Aunt Bettye and especially you Suzanne who looked out for your Mom's well being for so long I send you my heartfelt condolences. I have so many memories of her from my childhood as a young bride and mother. I remember looking at her yearbook, the first one I had ever seen and how she recalled how much she loved being a cheerleader! I recall many days of family fun times, than God he gave us our memories. Love to you all. Linda Spencer

Mom and I shared a lot of interests. Love of birds, butterflies, insects and flowers. We both love to dig in the dirt.

“ *Grandma Bettye was a sweet grandma. I loved to visit her in St. Augustine when I was young, but then she moved close to us. I used to go help mow her grass and spend a little time with her. Being older Tara and I would come visit and put out bird seed and water her plants. She loved her nature outside.*
