“ So sorry for your loss. She will always be remembered by me as my "Aunt Boo" cause that is what she was to me always. She was always happy and smiling and had to make sure you were never hungry! She loved her family and was always there for them and was proud of them. Another angel has been received. My heart is hurting for the family but just remember she will now be your angel guiding you and yours through life. Please remember even though I can't be with you and your family in your time of sorrow my love is with all of you and I feel your loss also. May God Bless and be with all of you now

Love your cousin Laurie King--Chatham, Ont. Canada

“ *Aunt Beulah was a loving and caring person that could connect and have meaningful conversations with everyone - of all ages. She was very generous in her advice and shared her wisdom and experiences. A great host who loved to prepare sumptuous meals for her guest. Her entrepreneurial skills, energy and work ethic allowed her to survive very difficult times and provide for her family. We will miss her, but never forget her.*

Love, prayers and condolences to her all her family and friends.
