“ *Butch, Pat and Family,
My condolences on your loss.
In the short time I knew Beverly, I learned that she was a kind,
giving person. All through her suffering, she maintained her
Christian witness and her sense of humor. She was a special
person. I know that she will be missed, but I am rejoicing with you
all that she is now with her God.
Love and prayers,

“ *Butch, your mother Aunt Sook had a special place in my heart.
I knew that end was near for her when I visited in October. I am very
grateful that I took the time to make that trip. I loved her very much.
I also know that she was very proud of you, Pat, your children and
grand children. She show me ever picture that she had of your
family.
Do you remember when we would go to New Orleans and Lake
Pontchartrain? Aunt Sook would go out into the water with us and
dunk me under the waves.
Love, Caresse*

“ *Butch & Pat & grandchildren,
So thankful for your helping Aunt Sook in her declining time & for keeping us posted as her health continued to weaken.
We have been praying for all of you & have peace that she has peace from suffering.
We love you.
Butch, you & Frog held my hand as I stood at George's coffin in 1964. I will always remember. I hope you know that I am standing at a distance with you now. Today is the day that daddy was missing 24 years ago.
Your mother always remembered my birthday--maybe because she brought me to her house the night I was born because I could not stay with my mother because she was near death.
Love & prayers & comfort

I extend my heartfelt and sincere condolences. May these words bring you comfort during this most difficult time. A special life has passed continue to embrace the memories. (ISAIAH 65:17) For look! I am creating new heavens and new earth; And the former things will not be called to mind, nor will they come up into the heart. (JOB 14:14-15) If a man dies, can he lives again? I will wait all the days of my compulsory service Until my relief comes. You will call, and I will answer you. You will long for the work of your hands. May these words bring the families a measure of comfort and assurance of God's love. (Psalms 83:18)
