“ *Madison, I hope that God gives you strength and comfort in this time of sorrow. Billy loved you so much. Even though he is not physically here, he will always be your guardian angel watching over you and the boys from Heaven.*
Love always,
Tricia

“ I worked with billy at harper revell.I never met some one as though as he was and had a heart of gold at the same time! I know our heavenly father welcomed him with open arms and he's going experience something this world could never offer. R.I.P my brother, kick back and relax, you work on earth is done! There will never be another like you for sure.
