“ Brenda & I were very close in high school. I drove us to DeKalb Jr. College every day, because she had hurt her head. Legs and was pulling her behind the tractor on a big rock! It flipped over & Brenda 's head got hit. It was just to be sure she was ok!

We spent the night with each other & got into trouble together many times. She was always beautiful! Miss South Gwinnett in 1967 & of course 're Homecoming Queen.

Went to PUB with her & her parents! I had 're key to a friends trailer. We let Mike & his friends stay there. Her parents left us ride back with Mike. We stopped in Panacea to visit his grandmother & had some really good crabcakes!

I'm so sorry she is gone! I never stopped living her, happy birthday Brenda ! ❤️ Jan 🐌

Praying for you Mike ! 🙏. All your family too !
