“ I worked closely with Bridget when I first began working for FHFC, then FHFA. She was always kind and supportive and taught me so much. She went out of her way to help me professionally and also personally. I loved that we stayed in touch over the years. She was a sweet person and I will miss her.

“ Bridget was a friend and always so fun to talk to. I loved her sweet voice. I remember when she decided to get her first Golden Retriever. She shared puppy pictures at the office and then when she and her husband retired, she shared stories of their adventures. She was truly loved and will be dearly missed..
