Carl, you will be missed! We laughed a lot as rookie officers in Keaton Beach. As Carl once said, "We didn't know how good we had it!"

Carl was a great person to work with he could always cheer me up. But when my daughter was in school it always made me feel better he was watching out for her. I learned it wasn't just her he paid extra attention too he had a way of talking to kids and became there confidant. To his family from my family we are so sorry for your loss .

Prayers are with his family. Such a good man and taken way to early. I will always remember him from working with FWC when I was younger in St. Marks to being an awesome officer with WCSO. It was always great to see him while all us girls grew up riding horses and was always smiling. He will truly be missed.

Carl touched many in the Wakulla Community. He especially loved his role as a School Resource Officer with the WCSO. The youth he engaged with showed their affection for him in evident and obvious ways.

“ First of all, Thank You, Sir, for serving & protecting our beautiful County of Wakulla. Thank you, for letting me meet 2 such beautiful ladies that you call your daughters. They have been a huge part of my life. Next, I want to mention our memories we had. I know I have already written bout them. But, you would say 'tell it again'. You, were one of the 3 Deputies to give me a certificate back in 2010 for being the highest and best shooter out of 12 or so Sheriff's Explorer's Cadets. From 2009-2012, I had received 6 certificates. You, and Deputy Scott Rojas, showed me how to deploy a taser, how to shoot high powered rifles. I was chosen to have the opportunity to shoot you AR-15. We have had many laughs, jokes, hugs, high 5's. One of my all time favorite memories, was all the home football games. You would laugh at me the way I directed traffic, to park. I would often part the cars crooked. Lol. I will cherish these memories forever. Thank you, for teaching me great value in things, morals, respect, shaking my hand a bunch of times, etc. You will be missed. Fly higher than those birds, buddy row. I'll see ya again. Rest In Peace, Deputy Allen.

“ Carl was never too busy to help someone whether it was at the range, in the field or at the store. His dedication to helping others was inspirational and that's the way he will be remembered. I saw him the afternoon before he passed and we spoke about the usual things. I remember him smiling the whole time although it hurt when he did. Before I left, he told me "great to see you brother; see you tomorrow" all while maintaining a smile. Carl was a great officer, a great instructor, a great friend and a great brother. I will miss him and his positive way of life.
