“ I sure would love to be brushing your hair and scratching your head right now. I can remember hours of you sitting on the floor in front of us and us doing that . It's crazy kids now days would think you killed them but we never complained it just became a given. I know I didn't get to see you much but never the less the love has always been the same. Love you always Uncle Pete.
Prayers for all of y'all love y'all with all my heart
