“ Hey memawl its KK.

*There are so many little things that made you you—Nelly the goat, all those summers Denise and I spent making memories, and the trips to town with Buddy that I’ll never forget. And of course, the endless phone calls... “I’m fine, how are you?” followed by “I love you, bye bye.”*

*You mean more to me than I could ever put into words. I’m so thankful for every laugh, every memory, and every moment I got to have with you.*

*Forever my beautiful angel, Memaw.  
Your KK, always and forever 💜*

The phone calls, you singing me happy birthday every year without missing a beat, your cooking, your silly dancing, all the things. I love you more than words could ever say. Until I see you again my beautiful Memaw.*
