“ *Grandma, I'll miss you so much. You always was there for me and you was always who I looked up too, such a strong woman that wouldn't give up. You made sure that the family was together with dad, and we always held Christmas at you're place. I will miss you always. I love you grandma.*

“ I'm finding it hard to put into words the loss of my great grandmother. She was a cornerstone in our family, her stories and laughter filling every room she entered. I will profoundly miss the warmth of her hugs and the wisdom she shared so freely. My heart is heavy with love for this remarkable woman. Her memory will live on in each of us, guiding and comforting as she always has. Rest in peace, Great Grandma—you were truly loved, and you will be deeply missed.

With Love,
