“ *I agree with others, that Carolyn was always smiling and friendly. The other enduring memory I have is that she was a dedicated leader and organizer, especially for the genealogy group whose meetings I visited on several occasions. Carolyn will be long remembered by those who knew her. May she Rest In Peace.*

“ So sad as Wakulla County has a void in their hearts for this special lady. I met Carolyn through my mother who worked for the PO also and I loved her right away. Her laughter was infectious and oh how she enjoyed life!! She is at peace now with her parents and her beloved Mike. My prayers are with the family as to loose a mother is to loose a part of your heart.

“ It’s hard to capture just one memory. I’ve known her my entire life as Aunt Carolyn, she gave me my first job at the post office & bought me breakfast every Friday morning that summer. She was always up for a visit, or talk. Always willing to let me come work at her house in absence of internet, loved on my babies, shared a love of history and genealogy. Taught me how to research long lost family, shared best practices on raising all boys, told stories of her boys, Rhett & Logan, and my dad, my aunts & Uncle Jim often.

I’m really going to miss our talks and your hugs. Thanks for loving this wild child as much as you did. I will always keep you close in my heart! I love you Aunt Carolyn and I am sure going to miss you. This world isn’t the same without you or your knowledge. Rest In Peace.. until we meet again.
