

## Casey Lee Dabney

October 2, 1982 - April 2, 2023

Casey Lee Dabney, 40, of Crawfordville, passed away unexpectedly at her home, April 2, 2023. She is survived by her parents, Tommy and Darlene Dabney; her son, Tyson Rosier; sister, Amanda Davenport (Tim); grandparents, Joe and Magaline Mosley and Roland and Ann Dabney; nephews and nieces, Peyton Davenport, Makinzie Davenport, and Miraya Davenport. She is preceded in death by her son, Cannon Rosier. Casey was the life of a party, she loved her boys more than life itself, she had a kind heart and would do anything for anyone. She lived her life wide open, she loved singing, dancing, her friends, animals including her dog Roscoe. You couldn't help but laugh when you were around Casey. She was always smiling and carried a positive attitude no matter what else was going on. She loved everyone's kiddos as if they were her own. She was a bonus aunt and "KK" to so many. She was such a ray of happiness in this dark world and her absence will be felt by many.

The family will receive friends Friday, April 7, 2023, 10:00-11:00 am at the White Church in Woodville, and the Funeral Service will begin at 11:00 am. Interment will follow at the White Cemetery.

Skip & Trey Young along with Paula and Kimberly are assisting the family. (850-926-5919, Familyfhc.com)

“ My very best friend since ninth grade! You have no idea how much this is going to impact my life. The fact that I will never hear your voice again or see your face again is absolutely gut wrenching! I hope you know how much you meant to me and so many other people.

We always had so much fun whether it was going through the car wash and rolling our windows down when it was time to go through the dryers or thinking we were models and posing on the side of the road off Park Avenue.

Working our very first job together at Chick-fil-A and then are very second job at Publix together. You being there when I had Madyson and rubbing my back the whole 36 hours!

The spend the nights we would have, all our Sonny's dinners. I just have a book full of memories from all the things we did together and I hate that that book has to close now.

We never we never got to do another painting with a twist or a girls night like we planned on these last few months.

I love you so much and I pray that you will give me signs!

“ I’m lost, I’m hurt, I’m sad. Trying to find peace in this madness but you were the peace. When my daughter passed you rushed to my side, when my mama passed you were right there. Through every up and down, good times and bad you were there. From being 18yr olds fresh in college to celebrating my 41st birthday with our kids in January you have always been there. You always could put a smile on my face no matter what I was going through.

Your light was brighter than the sun, your laughter was infectious and the love you gave people was unmatched. You never judged and always found the good in people. Your personality, character and heart are unmatched.

I am blessed to have known you and had you as my friend, my ride or die, my hype man, my confidant, my sister.

To Tyson, her parents, sister and family I send my sincerest condolences, thoughts and prayers.

Until I see you again boo.

I love you 💜

“ Casey was everything all wrapped in a bubble not only were we friends we were family. My kids know and call her auntie Casey. This news was a serious blow to me and i truly dont know how to accept it. She always was the life of the party when she came over. We all shared the love of karaoke and didn't mind getting on the mic everytime. She was the other sister my mom never had and will always be that in her passing. I have so much i can say and so many stories but thats for another day. Casey Dabney love you you will always be remembered loved and missed. Fly high and i will do my best to carryon as we planned till i see you again
