“ Charles was my best friend in elementary school but lost touch when I changed schools in 6th grade. Many years later he attended my Mother's funeral, which was very touching. A gentle giant.

“ I met Charlie while working at the old St. Marks Refinery in the mid eighties we became great friends, I was his best man at his wedding when he and Kathy married. Charlie and I worked together for many years but kind of lost touch over recent years due to our jobs. Charlie was a great friend and a great person, I will miss you Brother ! Condolences to Kathy and the entire family ❤️
