“ *Mari, Thank you sincerely for allowing Robbie and myself to be a part of Christians family gathering and funeral service. It was truly a very beautiful service. It was beautiful to see how much Christian was loved and cherished by everyone as well as he had an AMAZING life. That is a testament to you and his family. Again I can never express how sorry I am for your loss.

“ *The Hamilton/Kimbrel family is so very special. My heart aches for each one of you, but I have no doubt that Christian knew that he was loved beyond words, and may you find some comfort in knowing you will get to spend eternity with him in a place more glorious than we can even imagine. Until that day, I pray for each step that you must take and lift your family up in prayer for the strength you will need to face the coming days. (Christian, I was so lucky to get to spend your second grade year with you. It has been a joy to watch you grow over the years even thru pictures that your mom has shared. I am so proud of the young man became. Once a Bobcat...always a Bobcat.-Ms. Young)*

“ *Oh, Mari, Kent, Jan and family! So sad when I heard. I haven't seen Christian in a long time but I remember his sweet smile and how proud you are of him. I know you know that God has him in His strong hands. He has you, too. But it still is so hard. Praying for you all--for our Father God's sweet comfort to wrap around all of you.*

“ Miss Kimbrel, I am so deeply deeply sorry for your loss. I remember Christian as a well mannered sweet boy I haven't seen him since y'all left Conley Elementary I can only imagine that he grew into a smart well mannered young man. I lost my daughter in January, Megan. The pain is something that you've never felt before and hopefully neither one of us ever feels again and my heart goes out to you. You were so kind and good to me and I have thought about you often ❤️ take comfort in your faith, I know your faith is strong I prayed with you and Miss Timmons a couple of times. I am praying for you and your family and will continue to do so.

My Deepest Condolences

Love 🙏
