“ I never met Christy but she did me a tremendous favor last summer. When asked by a Pensacola State College softball coach if Christy thought I was deserving of a "look" for possibly a scholarship Christy gave me a great one. Two weeks later at a showcase tournament in Tallahassee at Messer Park I got that scholarship offer and was told "Christy Taff reccomended you and she is why we came to check you out" ! I plan to take the scholarship offer and will start PSC in August of 2018...

"Thank You Christy".

“ My prayers are with you Beth and all the family. I have fond memories of Christy when I would bring Damon over to play with her when they were in elementary school together. Damon always loved coming over to your house. We also shared some fond memories when Christy worked at Shell Point. She was always so upbeat, outgoing and smiling. We really will miss her.

Wendy and Beth, Damon asked me to tell you how sorry he is. The world lost a very special person.

“ Beth, I was stunned to happen upon Christy's obituary notice. I have thought often of the great times enjoyed with you and Houston on softball fields and at FSU games. Please know that you are in my heart and prayers. In my mind I am holding your hand.
