“ This is the hardest thing I've had to get thru in a very long time. I know you are watching down on us all and your kindness and generality will live on within all of us you touched. You were on of the "boys" and the best friend Will could have ever wanted.

You taught him how to be a man, a mechanic and tried real hard to teach him patience. You were one in a million and I feel so fortunate you were in our lives

I simply cannot believe this... Chris and I were very close at 1 time, and he was ALWAYS respectful and nice to me. I am at a loss, but am praying for Sabrina, Nancy, Josh, and all of the family and friends. He will be sorely missed, but never forgotten. May God take you gently on Buddy...
