“ Rest in peace my awesome Cousin. I'm kind of jealous that you are in the arms of our Heavenly Father, singing with the angels, and surrounded by our loved ones that went before us. Please give my mama, daddy, granny, and my brothers a hug for me. I will miss your smile, calm demeanor, and sweet and caring soul. Until we meet again, I love you Butch.

Pat, I'm so sorry. My heart breaks for you and your family. Thank you for standing right by Butch's side and loving him through these past couple of years. You are in my thoughts and prayers.

“ **BUTCH I MISS YOU SO MUCH. i WILL ALWAYS REMEMBER AND LOVE** You were always more like a brother to me. I cherish the old memories of us roaming the woods and waters with you. They are among my most cherished memories. i will never forget the evening that he came over to get me out of the house. At the time I was just giving my walker a result involving a near fatal snakebite. He took me floundering, several times that evening Butch caught me by the arm to keep me from falling in.

“ I graduated high school with Butch (Clark) at Wakulla High in 1968. He and I had both freckles on our face. Clark always had a smile on his face. My prayers are with his family and church family and friends.

“ *Butch was a loving husband, father, grandfather and brother. He was a man of faith who was called on at many family gatherings to lead us in prayer. He fought the good fight. May in rest in peace and watch over Pat. We will miss the visits and hear the hunting or fishing tales over a cup of coffee.*
