So sorry to hear. I worked for him before and was close to Melisa and her Mom. He was a nice man. RIP Clayton. Sorry for the family.

“ I will always cherish the great summers we had on the river with Uncle Clayton, Aunt Genevieve, and family. We had great times and memories. Uncle Clayton helped me learn to water ski, let me work in the restaurant, was there for me if I needed help in any way. Uncle Clayton was so good to the community and helped many folks out that were in need, or just there to lend a helping hand. He loved his family, always made you feel welcomed and respected, and gifted in the area of woodwork projects. He will be truly missed by many, but my prayer is that he is at peace with his Lord.

Sending love and prayers to the family from Plant City, FL

I knew Clayton from years back when his family first came to St Teresa Beach. He played his guitar for us on the dock. Then we visited many years later at Steinhatchee.
