“ *I miss you so much dad. It still just doesn't seem real.. I know you're up in heaven just fishing away. I know you caught that big ole bass you've been talking about. Please continue to watch over us. We will never understand why this happened but everything does happen for a reason and god was just ready for you to come home. Disappointed it was so soon but god has a plan. We will get through this.. we love you so much dad. I know you'll definitely still be walking me down that aisle*❤️
