

## Curry Brent Fetcher

July 19, 1966 - July 8, 2024

Curry Brent Fetcher passed away on July 8, 2024. Brent was born on July 19, 1966, in

Evansville, Indiana.

Brent is preceded in death by his mother, Kayrl Montgomery Griffin and his step-father

Dwight Griffin. Survivors include his father, David Fetcher (Barbara Raker) of Crawfordville,

Florida and his sister Kasey Fetcher Cone (Andrew) of Opelika, Alabama.

He is also survived by his nieces and nephews who he thought of as his own children - Tyler

Craig Wood (Lauren) of Schertz, Texas; Abigail Wood Williamson (Matthew) of Bulverde,

Texas; Emma Leigh Cone of Mountain View, Missouri; and Ethan Richard Cone of

Montgomery, Alabama.

His great nieces and nephews were the joy of his life as well. They include Tanner, Parker

and Kaysen (Tyler and Lauren Wood) and Kassie, Hayleigh and Kayleigh (Abigail and

Matthew Williamson).

Brent was a 1984 graduate of Wakulla High School in Crawfordville, Florida.

He served

briefly in the United States Marine Corps. Brent worked in the Logistics industry and had recently moved to the Atlanta, Georgia area to be closer to his sister and father, and his extended family and friends there.

A few things about Brent that you immediately knew upon meeting him – he loved his high school friends and anything to do with Wakulla War Eagles, and he loved anything Florida State. Brent never met a stranger and lived his life as if there was no tomorrow. He was also very generous to those around him.

Brent, also known as Fetch, had many long-time friends and co-workers who he considered as his family. He was loved dearly by them all and they were always there to support him no matter the need.

A private celebration of Brent's life will be celebrated during his birthday weekend – July 19, 2024.

Skip and Trey Young, along with Paula and Kimberly are assisting the family with arrangements. 850-926-5919, [www.familyfhc.com](http://www.familyfhc.com)

“ *This is so sad another WHS 1984 Classmate gone. Brent was always a happy guy never started trouble. Brent and I was in the WHS marching band together. My heart goes out to his family on such a young and bright guy that the good Lord had a different plan in heaven for Brent. He will be missed and loved by all who knew him. Until we meet again my friend keep it simple.*

“ *Brent and I were not only classmates, related by marriage for a while, we were great friends. We worked and hung out together at Shell Point for Gernard Gowdy. We had so much fun in our youth. I hate that I lost track of him in life. You will always be my friend! Rest easy Brent...*

“ Brent was and always remained my Step-brother. We kept in touch and this is hurting my soul. I loved when we would talk on the phone or catch up on fb. I was proud of the accomplishment. The last time I saw him, he looked great and was doing so well. I will miss the times, but will always have the memories. RIP brother until we meet again.
