Dana was on the hiring committee when I applied at Leon County for a job. Immediately I liked her and every time she visited our offices for a meeting, her bubbly personality and sweet spirit was evident for all to see and she always said hi to me. I didn't know her for very long but I wanted to say that I thought she was a special person and I am remembering her today.

“ *I was so sad to hear of Dana's passing. I worked with her many years ago when her boys were young. To say she was a ray of sunshine is an understatement! She always had a smile on her face, even when dealing with an injury that would have stopped most of us in our tracks. She loved her family immensely. I am lifting her family up in prayer for peace and comfort.*

“ *I met Dana when I came to work with Leon County. I had to turn in paperwork to her so I saw her about once a week the first year. What I remember most was her infectious warm smile. I don't think I ever saw her without it. I wish I had been able to know get to know her better, but it was indeed a privilege to have met her and got to know her as I did. Sending prayers to her family. May you remember fondly all the wonderful times you shared with her and may those memories give you comfort during this time.*

“ *Dana was a co-worker and a true friend. I am heartbroken to hear this news and even more so that I didn't know she had been ill. I pray for Johnny and the boys and the rest of the family, that God will provide you with comfort and peace in your hearts through this ordeal. Dana is in God's hands now, but knowing how much Dana will be missed, I pray for God's help for all of us left behind for now. I just thank God that I was blessed by her being a part of my life*

“ *Dana will forever be my sister. We worked together for a while and she and Betty Barton were bonded. We would disagree but that's what family do. She always loved my boys and grandkids. She was a giving person. Always smiling and being a mama to everyone. I will miss her. Be at peace Johnny Zach and Johnathan she is resting now. God is with her.*
