“ *May you rest in peace Danny. I believe the sun is like a God I am hoping that the sun will always shine upon you and family. As I write this I am speaking out loud hoping that you hear me. Our happy moments far outweigh the bad times. You were very hard-working man with some of the greatest family values anyone could ever want and have. You were a man that always put your family and friends first. Each night when I laid my head down I knew my daughter and grandson was safe and sound in your arms. You will be greatly missed. I love You Danny Dell !! Your family has a new chapter in their life. Jessica you must be strong for you and Eric. Eric you be there for your mom. I am here for both of you with open arms. I Love you Jessica and Eric.*
