“ My Aunt Darlene was a very unique Aunt. She was there for my mom (Rinna Barton) & me a little runt when a not very nice person was no longer around. Aunt Darlene & my mom would tell me stories of how I would only drink goats milk. & My mom said Everytime she would come home from work at night Aunt Darlene would be asleep on the couch & I was asleep on her chest. She has always been a very big part of my life & can't ever remember a time she was not even when I moved away from Woodville Fl to Titusville FL 16 or 17 years ago. She finally got a granddaughter of her own & I'm so glad she was there for that. It just really really suckie that, that granddaughter will only NO how wonderful her grandma was & is through all the memories everyone tells & talks about. Aunt Doreen & Grandma Gaitlin I'm so sorry. I love y'all. & MY HEART IS BREAKING I CAN'T BE THERE. But she's with her daddy & mine so there waiting on us & probably wondering what's taking so long.

LOVE YALL BUNCHES
