“ *Carole, I am so sorry for your loss and that I couldn't be there at the services for David. David was always an inspiration to me. He was so determined to be a better person every day. He became an excellent autoCad draftsman and pretty much was self taught. He took Austin under his wing and taught him to draft. He loved Austin. I loved having David in the office as he was always smiling and positive. Good Bless you Carole. I pray you are at I peace. Eve*
