“ The memories of my late 20's and early 30's are saturated with Keith and Tammy! Any time we were together became an epic event! Keith asked me a few years ago, "How was it that we became so close? We both pondered the question and we could not come up with an answer. I now have the answer for him.....I always liked myself a little better when I was around him! He made me feel good about being who I was! I pray he felt the same of me! My heart is broken. Tammy, our love is all around you!

“ Tammy, Camden, and Shelby, we pray for God to bring peace and comfort to you during this time. We have been touched as we watched your family during times of grief. Keith had a strong faith and that faith is his own testimony of God's faithfulness to his family. We are praying for His comfort. We love you all.

“ *The Smith family - long time friends of our family. Keith was my brother's best friend. So many crazy fun times at Southside Baptist youth functions - always the laugh of the party. I will never forget when Jason was in school in Ft Lauderdale and Keith came with us to visit Jason. End plan was for Keith to get Jason back to Tallahassee for a surprise graduation party. Several twist and turns - but Keith pulled it off. Tammy and Camden, you had a very special guy, Keith will be dearly missed. Thank God for the promise to see him again. Love ya'll.*

“ Keith was the best Son-in-Law anyone could ask for. He was a devoted Father and Husband. Always make you laugh. When I would go visit he would always say when he came in the door and saw me "You haven't left yet?" Like to refer to me as his Monster in Law. His love for his family was seen every day and will be missed dearly. Love you Keith hugs and kisses for Rachel. Tammy, Camden and Shelby love you.

“ Vicki & I have been friends since 4th grade. Of all her brothers Keith was more like her. He had her friendly outgoing personality. I saw him at Publix several weeks back, he was looking forward to moving to the new Publix in Crawfordville. I know everyone that knew Keith will miss him dearly! My prayers, hugs & love go out to Vicki, Gary, Tammy & his son.

“ I remember those 2on 2 baseball games as well, miss you and Tim Living in Iowa or would be there for funeral. We did have some fun times at church with our youth group, gave us something to do and look forward to, probably kept us from getting into trouble. praying for all the family

“ Like several others who posted, I also knew Keith for around 50 years as me and my brother Dodd were in the youth group with him and Tim and many other awesome friends. W.L. Smith was also a blessing to have as he led our youth group for many years. I remember Tim used to pick me and Dodd up for church before we got our licenses, and we had many two brothers against two brothers baseball games, and it seems like Tim and Keith almost always won. Keith had such a good sense of humor and he kept me laughing all the time. Love you Keith and my prayers with all your family.

“ Keith was a wonderful man, husband, and dad. He was always joking and encouraging. He loved God and his family and friends. His time as an RA leader at Lake Ellen Baptist impacted many boys. He will be missed. Praying for the family in your time of grieving.

“ I have known Keith and his family for about 50 years. I taught Keith in Sunday School at Southside Baptist Church where we all worshiped. Keith was also a large part of our youth group as he became a teenager. What a blessing he was. One of the sweetest, nicest, most gentlemanly persons I have ever known. I know he is in Heaven with his Mom and Dad who were great Christian people as well. I can truly say that I loved him dearly. Earth's loss is Heaven's gain. My prayers to his wife and family.
