“ *To the family of Debbie,*

My condolence to the family my prayers are with each one of you. I haven't seen Debbie in a while but I feel like I was just with her at the Savanna's State Park In Ft. Pierce. I meet up with her and Alicia and Marcus he was a little fellow. I will miss her and her painting on Face Book we would share likes on her page and my mermaid post. If you knew Debbie she was the most down to earth women you would ever meet. Kind soul to all life isn't measured by the amount of breaths you breath but by the amounts of breaths you take away. You have taken a lot of breaths away from people with your kindness, loving heart. May God be with the family we know you are with the lord and he will take care of you. Until we meet again know I will miss you.
