“ *My Uncle DJ.....My first day of school (kindergarten or first grade - that was a long time ago) we ate breakfast at the pancake house and you gave me a ride in your groovy red van. The best day ever. I know the years and miles got in the way, but I do know we thought of each other - wondering how things turned out. We'll, no worries. Everything turned out ok and someday we will talk over pancakes again. Rest easy now. - susan*
