“ I sure am gonna miss you. I hate that I did t get over to see you like you ask. So let me say this. Don't let life get to busy that you can't go visit your friends. Make time to go see the ones you care about because you just don't know what the next minute of life brings to you. I love you and miss you dearly I am so very glad that we have stayed in touch all these years. Rest Easy now.

“ Deedie, I am so heart broken. We’ve had some wonderful memories shared. From bringing Brandi and I food to the grocery store, graciously offering to host my HS graduation party, letting me live with y’all when I was in between homes. You always welcomed me with open arms and genuinely cared and treated me like a daughter. Until I see you again, fly high and give Maw Maw a hug from me. You will be missed dearly. P.S. do they have banana trees in heaven? 😭

Deedie, I feel you in every country music song I hear. The world is at a loss without you in it. In good times and bad your strength always won out. Even when you were tired of being strong. Your friendship was everything to me. You gave the shirt off your back to so many people. One of a kind lady. 😭
