PS

*I thank, Abba Father God, for sovereignly orchestrating Lance in my life, as Lance gave me my first Bible with His anchor verse that has been my anchor verse all along this life's journey of faith home. Sweet precious memories! God the Holy Spirit led me around the time he died to contact him to thank him. Sorry I did not...but will do so some glorious day on the other side with Jesus. May the LORD be with Lance's dear Family and friends; may He succor and comfort you as no other can and will do in the fullness of God's grace and Truth in Christ Jesus through God the Holy Spirit. In Christ alone, our living hope through Christ's resurrection, Pamela Sue

“ *My heart goes out to the family of Lance. He has coached baseball to many children in the community. I have enjoyed watching our boys grow up together. Lance was a great neighbor and friend. I hope God will comfort and guide his family.*
