“ Donna was a long time customer and friend of ours at our hair salon:) We had many years of laughter and funny incidents with her that just make me smile 😊 she had a very giving spirit, from bringing about 300 pair of earrings for us all to go through 😭 to bringing us food when we were sick, and her fun Christmas parties she held at her home for friends to gather 😊 We will forever remember many fun times and memories with her, she will be missed 🥺

“ I worked with Donna at the Florida Parole Commission in the 70's. We carpool together if her car or husband needed their car. We had a blast riding the Woodville highway to the Carlton Building.  
Donna loved Brian and he was the light in her life.  
I saw Donna in 2023 in Woodville with her friend Julie and we visited awhile until she had to leave. So glad I have this last memory of her.  
Brian and family you will be in my prayers for peace and strength as there is nothing like the passing of a mother.
