“ Dorothy was more than my first volunteer. More than a board member of Wakulla Giving Hands Nonprofit. More than the one who believed I could really make a difference in the community. She was so much more. She was my best friend. My ride or die. My partner in crime. She was my family. She was my heart. Dorothy you will always be my best friend and my family.

Dorothy you came into my life and you made a huge impact! You believed in me and supported me. And don't forget you spoke your mind and had no problem telling me no. You always made me a better person. Not sure what I'm gonna do without you.

There is one thing no one can't say and that was Dorothy was a happy soul. Look at every picture and the common factor was the smile and it was a real smile. Dorothy always knew the right thing to say or something positive to help me thru every situation personally and in the organization she worked so hard to create and grow. She was full of knowledge. Boy I wish she could have taught us a few more things to make our job easier.

Dorothy you will always be a board member even in death. You will always be remembered as a beautiful happy soul that pushes our organization forward. I am so blessed to have met you. Now I have your family as my own. And I promise to love them and be there for them like we was foreach other. I truly love and miss you. But I promise to make a difference for you and me!

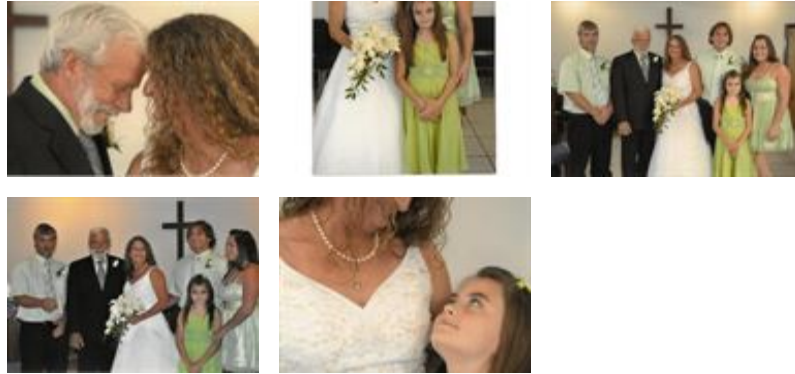

Rest in peace my BFF, your the best person to ever come in my life and love me.
